Springvale Primary School

To Whom It May Concern

We would like to offer your organisation an opportunity to advertise your company on our webpage and in turn, your company would become a valuable sponsor to our Springvale Primary School Community.

Our public school has 1 400 learners, and this offers a great promotional platform for your company – to all the parents that frequent our website: www.springvale.co.za

To have your logo displayed in our sponsor section of our webpages, you would need to pay R250 a month. You must provide us with a high-resolution image of your logo. This must be emailed to kamyg@springvale.co.za

We will link your logo directly to your company's website. If you do not have a web presence, we will link your company to an advert or brochure that you provide us with.

If you need any more information, we'd love to continue this conversation. Please reach out to us at kamyg@springvale.co.za.

We're excited to hear from you!

Sincerely

Mrs. Rajkumar - Principal
