1 March 2024

Springvale Primary School

To whom it may concern

We would like to offer your organisation an opportunity to advertise your Company on our webpage and in turn, your company would become a valuable sponsor to our Springvale Primary School Community.

Our public school has 1490 learners, and this offers a great promotional platform for your company – to all the parents that frequently visit our website: www.springvale.co.za

To have your logo displayed in our sponsor section of our webpages, you would need to pay as follows:- 3 x R1000 during Jan, May & Sept or R3000 in advance. You must provide us with a high-resolution image of your logo. This must be emailed to magdae@springvale.co.za.

We would link your logo directly to your company's website. If you do not have a web presence, we will link your company to an advert or brochure that you provide us with.

If you need any more information, we'd love to continue this conversation. Please reach out to us at magdae@springvale.co.za.

We however also have the following options available, which you can mark with a tick:-

- Option 1** Advertise on a Billboard and in our diary and get the **website free**
- Option 2** Advertise on the Billboard alone at a price between R4500 – R5500 per annum depending which street you choose
- Option 3** Advertise in our yearly diary alone at a price between R750 – R3500 per annum depending on the month you choose in the diary and if its black & white or colour
- Option 4** Only advertise on the website

We're excited to hear from you!

Sincerely

Mrs Rajkumar – Principal
