Springvale Primary School

To whom it may concern

We would like to offer your organisation an opportunity to advertise on our webpage and in turn, your company would become a valuable sponsor to our Springvale Primary School Community.

Our public school has 1490 learners, and this offers a great promotional platform for your company – to all the parents that frequently visit our website: www.springvale.co.za

We will link your logo directly to your company's website. If you do not have a web presence, we will link your company to an advert that you provide us with. **(Any advertisement placed on our website, that needs changes to be made, will be invoiced separately, at an additional R150 within the year of advertising)**

If you need any more information, we'd love to continue this conversation. Please reach out to us at magdae@springvale.co.za.

We however also have the following options available, which you can mark with a tick:-

- Option 1** Advertise on a Billboard and in our diary and get the **website free**
- Option 2** Advertise on the Billboard alone at a price between R5000 – R6000 per annum depending which street you choose
- Option 3** Advertise in our yearly diary alone at a price between R800 – R4000 per annum depending on the month you choose in the diary and if its black & white or colour
- Option 4** Only advertise on the website R300 p/m

We're excited to hear from you!

Sincerely

Mrs Rajkumar – Principal
